House Points Update

Although this has been a different start to the school year, Edison's house point system is still rolling along! This term, students have been busy earning as many house points as possible, and they have kept their spirits high by setting good examples and working hard. The first place team this term is the Rockin' Roosters, with 985 points, followed by the Flying Phoenix, with 889 points. The Flaming Falcons were close behind in third place, with 861 points, and the Black Hawks finished up with 825 points. Fantastic job everyone! Keep up the amazing work!

Grade 4 Chalk Art

Grade 4 students have decorated the halls with some lovely black and white chalk art.
