University of Waterloo Beaver Computing Challenge (Grades 5-10)

The Beaver Computing Challenge is a 45-minute multiple-choice contest that targets challenging logic puzzles. This challenge is for students in Grades 5 – 10. The B.C.C. will be written at Edison during the week of November 4. Students must sign up by speaking with their math teachers by October 18. Please visit the following link for past exams: <https://cemc.uwaterloo.ca/resources/past-contests>.

**University of Waterloo Mathematics Contests
Canadian Intermediate Mathematics Contest (CIMC)**

Targeted audience: Grade 9 and 10 students

Canadian Senior Mathematics Contest (CSMC)

Targeted audience: Grade 11 and 12 students ONLY

Please speak with your math teachers to sign up. Interested students must sign up by October 15. The CIMC and CSMC will be written on Monday, November 18. The CSMC contest result will be available for Grade 12 students to use for their university applications if they wish. For more information or practice, see Mr. Zhang or visit the following link: <https://cemc.uwaterloo.ca/resources/past-contests>.

Grade 2 Okotoks Museum Field Trip

On Wednesday, October 23, the Grade 2 classes will be visiting the Okotoks Museum and Archives to participate in the program "From River to Rock: Significant Landmarks in My Community." The students will explore the significance of landmarks around the world and locally. There will be an opportunity to explore the museum and do a scavenger hunt, as well as a hands-on 'Build Your Own Town' activity. Dress uniform is required.

Grade 5 and 6 Field Trip

On Thursday, October 10, Grade 5 and 6 students will head to Nanton to visit the Bomber Command Museum of Canada. Dress uniforms, bagged lunch, and a water bottle are required for this event. Students may bring a small amount of money to purchase candy if they would like. Please ensure that students are dressed appropriately for the weather, as part of this field trip will take place outdoors. If you have any questions, please contact Ms. Etheredge at betheredge@edisonschool.ca.

JV Girls Volleyball

A great showing at the Stirling tournament on the weekend was followed by exciting back-to-back wins against STS and Highwood. Our girls have finished the Round Robin tied with Brant for wins and are in great shape for the Power Pool round starting next week. Keep it up, Eagles!!

Junior A Boys Volleyball

The Junior A boys volleyball team rebounded splendidly from a first week loss to defeat the John Paul II Collegiate team in three sets last week. The Eagles had a strong performance defensively and on attack. The next game will be on October 15 at St. Francis at 4PM.

Junior B Girls Volleyball

Congratulations to the Junior B girls for their win against Meadowridge last Wednesday!

UPDATED Edison Eagles Volleyball Schedule

Come on out to cheer on our Eagles!

*****UPDATED*****

Triple Ball Game Schedule

Games Start at 4PM

Thursday October 10 at Edison vs Red Deer Lake

Thursday October 17 at Edison vs Westmount

Thursday October 24 at Edison vs Brant Christen

Cross Country

We would like to congratulate the students who participated in the Cross Country meet at Oilfields. Their commitment and dedication is to be commended! A special mention goes to Zimo, who placed first in her age category and won the gold medal! We would also like to recognize Molly, who placed sixth in her age category. Way to go, athletes!

Elementary Cross Country

Our elementary cross country team did amazing at our two races this year! All runners worked hard and ran a fantastic race. We are so proud of them! A shout out to Alisha V., Rachel C., Linden K., Georgia B., Erika Z., Milana M., Ansh S., Sophie O., Hazel C., Shane H., Avery L., Poppy H., Elly G., and Elizabeth C. for placing in the top ten! We want to also congratulate our top two runners, Luke H. for placing 2nd in the Grade 3 boys' race and Emmy F. for placing 1st in the Grade 4 girls' race at Good Shepherd School. We look forward to another great season next year.

Lower School Edison Excellence Awards

Mrs. Carter/Mrs. Osborne: Blakely K. for her compassion and willingness to learn. Maxim P. for being a kind friend and for his neat work.

Mrs. Wonderham: Avah D.P. for perseverance in learning the English language. Malek R. for leadership with classroom rules.

Mrs. Power: Hayden C. and Cohen H. for bravely presenting the poem and delivering a wonderful performance

Mrs. Wiwchar: Rachel C. for being kind to everyone, all of the time.

Mrs. Vogelaar: Georgia B. for consistent daily effort, her positive attitude, and for being great help in the classroom. Lorelai S. for having an excellent work ethic in all subjects!

Mrs. Palmer: Amaya N. for being a focused learner across all subjects. Harrison B. for making a conscious effort to come to class quickly, get organized, and write his agenda message.

Mrs. McElroy: Hazel C. for being an exemplary Edison student. Luke H. for always being helpful and setting an excellent example in the classroom.

Ms. Armstrong: Lynden M. for his enthusiasm toward writing assignments. Alyan J. for his enthusiasm and work ethic.

Mrs. Smith: Sid P. for his excellent work ethic and for always ensuring that he does his unfinished work before play.

Grade 7 Calgary Zoo Field Trip

Grade 7 attended the Calgary Zoo's Ecosystem workshop. Students answered the question 'What can we do to preserve wildlife habitats?' The workshop included an information session, project, and scavenger hunt, as well as a private visit with the zoo's 40-year-old tortoise, Sheldon. It was amazing!

Grade 3 Scarecrow Art

Grade 3 Saskatoon Farm Field Trip

On October 1, the Grade 3 classes had the pleasure of visiting one of our local treasures, The Saskatoon Farm. We had the opportunity to see some of the harvesting process for late vegetables and were allowed to harvest our own zucchini, garlic, carrots, onions, and beets. Mr. Hamer spoke to us about the need for greenhouses in this climate and the importance of selecting the right plants for our average temperatures. Other attractions included the coulee cliffs, antique farm equipment, a delightful bakery, and a farmers' market. The local cats and dogs accompanied us briefly and accepted some attention. This trip was a great example of local resources adding to our quality of life and gave us some insight into agriculture and our farming history.

Grade 1 Okotoks Museum Trip

The Grade 1 students had a fantastic afternoon at the Okotoks Museum, where they explored the history of Okotoks, both past and present. During our visit, the students participated in an exciting scavenger hunt to discover artifacts that were over 100 years old. Afterward, we enjoyed a lovely walk to a nearby park for lunch and some playtime in the fresh air. It was a wonderful day of learning and fun!

Foods Class

One of the things that Mrs. Mackay emphasizes in our foods class is the issue of food waste. The students had made Sticky Crust Pinwheels for one of our classes, and because the recipe only used the bread crusts, we had a lot of leftover bread to be used! The following week, the students turned the leftover bread into homemade croutons, which we then added to another recipe: a beautiful caprese salad!

Grade 1 Fall Leaves

FALL-ing in love with Grade 1 autumn leaves and scarecrows!
