**Continent Festival and Special Projects Display Night**

Please join us for the Continent Festival and Special Projects Display Night on Wednesday, March 19, from 6:30 to 8:00PM.

**Dress Down Day**

Students are permitted to wear non-uniform clothes to school on Friday, March 21, to celebrate the last day of school before spring break. Please remember that Edison School modesty rules apply.

**House Reward Reminder**

Students on the Black Hawks team are permitted to wear their non-uniform clothes on Thursday, March 20, and will take part in a free-time period as a reward for their hard work this term.

**Grade 3 Aggie Days**

On Thursday, April 10, students in Grade 3 will be going on a field trip to Aggie Days at the Calgary Stampede grounds. This is a great opportunity to learn more about Alberta's agriculture and ranching heritage. We will be leaving school promptly at 8:40AM and returning by 3PM. During the visit, the children will gain a deeper understanding of agriculture and its importance through various hands-on activities and presentations. They will also enjoy a rodeo performance during the lunch hour. Regular uniform, comfortable shoes, and a light jacket are required. All students should bring a bag lunch, snack, and drink. Please contact your child's homeroom teacher if you have any questions or concerns.

**Grade 4 Aggie Days**

The Grade 4 students will be visiting Aggie Days on Friday, April 11. Aggie Days takes place on the grounds of the Calgary Stampede. It is a wonderful field trip that ties in nicely with several of our social studies and science units. There are hands-on activities, demonstrations, and many other fun activities. Please note that we spend some of the time in the barn areas, so if your child has allergies to animals, hay, etc., please be sure to inform your child's teacher, and ensure that your child has their allergy medication at hand. We will be leaving Edison at 9AM and returning by approximately 2:45PM. Regular uniform, comfortable shoes, and a light jacket are required. All students should bring a bag lunch, snack, and drink. Please contact your child's homeroom teacher if you have any questions or concerns.

**Archery**

Our students had an exciting time diving into the world of archery! They not only learned the safety and basics of archery, such as proper stance, aim, and shooting techniques, but it has ignited a new curiosity among many of our students who now want to join archery club or become involved with it outside of school. We added an element of fun in our lessons when students became more familiar with shooting, and added balloons to the targets! Many developed a sense of accomplishment when they hit the targets with skill and confidence. It was a rewarding and memorable experience for everyone!

### Lost and Found Items

Please note that during parent teacher interviews, we will have tables set out in the main gym with all lost and found items. We encourage you to make your way there to check through the items, as they will be donated over spring break. Remember to clearly label all items with your child's name, as this is the most effective way to ensure that lost items are returned.

### Grade 5 Mosaics

The Grade 5 students created mosaic pictures using small shapes of brightly coloured paper.
