Edison Spelling Bee

The Edison class spelling bees have been completed, and we have our roster for the students competing on Thursday, April 17.

Congratulations and best of luck to the following students:

Division One Grades 1-3

Rachel C., Katelyn H., Matteo C., Hayden C., Waverly R., Inaaya R., Henri A., Ihnat M., Riansh M., Narayan C., Alyan J., Murphy M., Adam G., Ansh S., Cedric C., Zak J., Aydin J., Adam M., Shrija P., Ava S., and Ty D.

Division Two Grades 4-6

Neal D., Hunter R., Emmy F., Arjun S., Raquel S., Avnoor K., Elizabeth C., Eshika V., Sophie D., Shane H., Marley S.-A., Brennen Y., Ela K., Adya P., Michael S., Mara G., Sttavi P., and Hareem Z.

Mental Health Workshop

We are pleased to announce that Dr. Tim Ayas will be visiting our school on Monday, April 21, to lead a mental health workshop for students in Grades 7–12. This valuable session will focus on understanding and supporting mental well-being. Please note that dress uniform is required.

Grade 1 Chess Fun

Grade 1 students have been thoroughly enjoying their chess lessons this year! Each Monday they eagerly look forward to their chess time and have shown great enthusiasm and growth in their skills. It has been wonderful to see how competitive and engaged they have become as they learn strategies, focus, and sportsmanship.

Flying Squirrel Trip

The Grade 9 students had a wonderful time at Flying Squirrel on Monday afternoon!

Grade 4 Visits Aggie Days

The Grade 4 students enjoyed a wonderful day at Aggie Days learning all about ranching and agriculture in Alberta. Some of the highlights were cow-milking, trying their strength at the Incredi-Pull, watching sheep-shearing demonstrations, and touring the barns to see the various farm animals. They also watched a lunchtime rodeo where some of the children were lucky enough to see themselves cheering on the giant screen! We are very grateful to our parent supervisors for coming with us and helping to provide a smooth and fun-filled day.

Grade 3 Visits Aggie Days

Grade 3 students had an exciting trip to Aggie Days at the Calgary Stampede grounds! They explored where our food comes from and learned about the journey from planting crops to getting food on our tables. Highlights of the day included watching live cow milking and sheep shearing demonstrations, as well as participating in fun, hands-on games that taught them all about agriculture. A big hit was the lunch hour rodeo, where students cheered on the barrel racers and watched the thrilling action of bucking horses and bulls.
